

OCTOBER 2021

Chamber News

It's been another busy month at the Chamber. If you haven't done so yet, check out our new Euclid Chamber of Commerce web site.

We are grateful to Alpha Key Digital for all of their help in creating a website that is both attractive and useful! We will be continuing to add content so don't be a stranger.

Currently, we are working on the Marketing and Membership Guide for 2022. This guide will include Sponsorship packages and information on upcoming events for 2022. I hope to have it distributed sometime in December.

Another exciting piece of news is our membership in the Collaborative Chamber Alliance. The CCA is an association of independent chambers of commerce and organizations that meet for information sharing, mutual support, advocacy and education. Approximately 2,700 businesses, organizations, individuals, and professional firms are represented by the alliance chambers and affiliate partners.

The CCA collaborates with Regional and International organizations to offer more opportunities to members to network and grow their businesses while improving relationships between those organizations and the communities they represent.

CCA has a Young Professionals and a Women's Group. Keep an eye out for upcoming events.

Thank you to Euclid Heat Treating for Hosting Coffee Connections!
